FOR IMMEDIATE RELEASE

### 100.7FM'S PASS IT ON PROJECT

Cortland, NY – Cortland Christian Radio WDRX-LP 100.7 fm held it's first PASS IT ON Sale on August 16<sup>th</sup>. The Project is an effort to redistribute select items. The thought... one man's junk, another man's treasure.

CCR hopes to gradually build the project to be self sufficient enough to provide items that might no longer be of use by donors at little to no cost, to persons seeking assistance. As of now, Pass It On is like an ongoing indoor yard sale, with items priced low, the hope is to move it in and move it out.

This project is a means to become more actively involved with the Cortland/Homer community. What better way than to help “re-purpose” one's lesser used items?

The next PASS IT ON Sale will be held on Wednesday, September 9<sup>th</sup>. Watch [wdrx.org](http://wdrx.org) for details. For more information on setting up a table or donating items to the cause call JOCEY at (607) 753-8704 or email her directly: [jocey@wdrx.org](mailto:jocey@wdrx.org).
